

## OBITUARY

### **Dr. Bambang Tiksnadi**

27th May 1949 - 6th February 2019

The Indonesian orthopaedic and traumatology community is saddened by the passing away of Dr. Bambang Tiksnadi, dr, SpB, SpOT(K), MM, FICS, on 6th February 2019.

Dr. Bambang Tiksnadi was born in Lubuk Linggau, South Sumatera, Indonesia on 27/05/1949. He achieved his orthopaedic and traumatology specialisation in 1987 and his doctoral degree in 2009. He had been an active member in the Indonesian Medical Association and the Indonesian Surgical Association. He was President of the Indonesian Orthopaedic Association from 2004 to 2006. Dr. Tiksnadi was active as a medical and academic staff in Universitas Padjajaran, Bandung, Indonesia.

Dr. Tiksnadi was also active in numerous orthopaedic community programmes on the international scene. He was honorary member of the American Orthopaedic Society of Sports Medicine and council member of the Spine and Knee-Sport Medicine Section of the Asia Pacific Orthopaedic Association. He also served as the President of the ASEAN Orthopaedic Association in 2006-2007.

Dr. Bambang Tiksnadi will be missed by all of us and we extend our heart-felt condolence to his family.

**Dr. Ismail Hadisoebroto Dilogo**
