The International Hand Congress

By Niramon Nuntasukon

According to the International Hand Congress, it is choosen by the Hand Section of the W.P.O.A. to be the venue of the 4th Hand Meeting of the Hand Section of the association, With this occasion, we then combined this International Hand Congress with the 7th annual meeting of the Thai Society for Surgery of the Hand, the 2nd Meeting of the Thai Society for Reconstructive Microsurgery in collaboration with the Thai Orthopaedic Association.

In this program, we were obliged to have the opportunity to welcome so many guest lceturers from different countries, For example, Dr. T.J. Herbert, Dr. J. Taleisnik, Dr. Y. Watanabe.
